

Q. How do I Dispose of Used Needles and Syringes?

A. At the Florida Department of Health in Manatee County!

Our **Sharps Disposal Program** is a free community service designed to assist the residents of Manatee County with a safe method for disposing of used syringe needles, lancets and other “sharps”.

If you have a medical condition that requires the use of injected medications, you can seal the syringes in an official sharps container; or seal them in another heavy plastic container, and bring them to:

Environmental Health Services Division
410 6th Ave East, Bradenton
#(941) 714-7593
Monday through Friday
8:00 A.M. to 5:00 P.M.
